

Restaurant Profile

Modern Japanese cuisine is so much more than what we, in North America, have come to know. When you think of Japanese cuisine, what comes to mind? Sushi, of course! Sushi (a catch phrase for numerous styles) is only one discipline that makes up modern Japanese cuisine. At Zest, we explore the many facets of fine Japanese food for your enjoyment. From Sapporo (in the North), to Nagasaki (in the South) we celebrate all that is Japanese fine cuisine. Although we are influenced by western styles and flavours, we cannot define our style as fusion, we represent the very best that is Japanese! Zest has been created for your enjoyment. An intimate space of warm colours, textures and intoxicating scents await you. Contemporary ambience, meticulous service and soothing sounds will entice and relax your senses for an evening of sensual bliss.
